HASTINGS MEN SHED PORT MACQUARIE MAKE AN AWESOME DONATION TO
REVIVE LAKE CATHIE

Hastings Men Shed Port Macquarie have created a fantastic pelican, made especially for Revive Lake Cathie by Allan Bruhm. Allan worked diligently to create the Revive Lake Cathie Pelican to donate to Revive Lake Cathie. Revive Lake Cathie met with the Hastings Men Shed and Alistair Flower from the Lake Cathie Tavern at the Lake Cathie Foreshore Reserve today to accept this community donation.

Our new Revive Lake Cathie Pelican has found a fabulous home at the Lake Cathie Tavern thanks to Alistair Flower. "Our Lake is at the heart of the Port Macquarie-Hastings, no better demonstrated by this kind donation from one fabulous volunteer community group to another, which finds its home at one of our strongest community supporters in the Lake Cathie Tavern" said Revive Lake Cathie President Danielle Maltman.

"Community is the heart of the Lake Cathie Tavern, and we are happy to be able to have this great community ambassador at the Lake Cathie Tavern" said Alistair Flower. Lake Cathie Tavern plans to kick off a competition to name the Revive Lake Cathie Pelican, in the coming weeks. Stay tuned to the Lake Cathie Tavern & Revive Lake Cathie social media pages.

Revive Lake Cathie thanks the Hastings Men Shed Port Macquarie and especially Alan, Dennis & Joe for this fantastic donation. We also thank Lake Cathie Tavern and the Hastings Men Shed Port Macquarie for their continued support of Revive Lake Cathie.
